

NATIONAL DAYS FERVOUR

Gandhi Ji and Shastri Ji
Jayanti

'Great Nation is a Nation that respects the services of the heroes.'

National festivals turn up the patriotic spirit in children, enabling them to grow into better citizens. They start prioritizing the nation at various points of life. They remind us that despite all our differences, our love for our country unites us all. We commemorated these festivals in our campus which incorporated Independence Day, Republic Day and Gandhiji and Shastriji Jayanti with great pomp and show to celebrate the milestones of India's History. Students were told about the significance of celebration of these National Days. Array of activities and competitions were conducted in the campus to infuse the spirit of patriotism in the students.

KINDERGARTEN INSIGHTS

'Children are the future. Nurture them right so that they grow up to be able leaders and lead the world towards light.'

The foundations for emotional, physical and intellectual development are built during the early years of infancy. We prepare young minds with a strong foundation for life. Various activities and celebrations were planned for our tiny tots of kindergarten section to promote: the holistic growth of each child and provide all children with equal opportunities and carry out versatile pedagogical activities based on play, arts, physical activity and cultural heritage. Our kids enjoyed celebrating all Indian festivals including Holi, Diwali, Dussehra and Basant Panchami. National Days and special days like Fruit Day, Vegetable Day are celebrated to inculcate the healthy eating habits. We believe in overall development of the child since early stage hence activities like Role Play, Poem Recitation and Story Narration were organised from time to time in which students participated with full enthusiasm.

FESTIVE VIBES

'The richness and depth of celebrations express a culture accurately.'

Children will remember an important day only if they are told what the occasion signifies. So a celebration makes them aware of our tradition and culture. Celebrating events and festivals in our school has become an integral part of learning and building a strong cultural belief. Some of the festivals celebrated in our school were Holi, Diwali, Dussehra, Janmashtami, Christmas, Lohri, Basant Panchami and Rakshabandhan. Students participated wholeheartedly in the celebrations.
